Compliance/Tracking	<p>The SafeColleges SDS & Chemical Management System provides your administration with an easily-accessible, GHS compliant solution for storage and organization of your campus's safety data sheets. The annual subscription provides access to a comprehensive library of over 10,000 data sheets that are accessible from any device, anywhere on campus by employees, faculty members, staff and students. You can easily upload your existing SDS collection into our system. Organize your chemicals on campus by location (buildings) and by collection (rooms, labs and storage). Print secondary container labels with important hazard warnings and pictograms, posters with QR codes and organized physical binders. The system will also allow institutions to broadcast important messages to staff and students using the information center.</p>		<p><i>Price per Administrator/Staff Member per year</i></p>	<p><i>Price per Administrator/Staff Member per year</i></p>
