

Skillsoft

Pre-Approved for CompTIA CEUs

Note: Valid training courses in this document are subject to change without prior notification. Training submitted based on prior approval will remain valid. Training submitted after the date on this document must meet this document training requirements.

Training Valid in this document is based on the exam objectives:

- A+ 220-1101 and 220-1102
- Network+ N10-008
- Security+ SY0-601
- Linux+ XK0-004
- Cloud+ CV0-003
- PenTest+ PTO-002
- CySA+ CS0-002
- CASP+ CAS-004

Activity name to use when uploading CEUs into a certification record:

Completed a Training Course

Training formats accepted are Classroom-Based, Live Online, Private On-Site and Self-paced e-learning.

CEU Required Documentation

The certified professional must upload a certificate of completion into their certification record as proof of attendance.

Completion Certificate

1. Name of training provider
2. Training course title
3. Name of the certified professional
4. Date the training was completed

Training must be completed within the three-year CE Renewal cycle. The course duration hours are to be used when entering CEU hours in a certification record. Please see the training provider course descriptions for durations.

Skillsoft
Pre-Approved for CompTIA CEUs

Training that is not 1 hour in duration or more is not valid for CEUs and will not be listed.
